

DEAR SANTA

WISHING YOU A JOYOUS HOLIDAY SEASON

DEAR SECRET SANTA,

HI. IT'S ME — YOUR LUCKY CHOSEN ONE.

THIS CHRISTMAS, I'VE DECIDED TO GET MY LIFE TOGETHER. AND BY "GET MY LIFE TOGETHER," I MEAN DRINK MORE WATER AND PRETEND THAT COUNTS AS SELF-CARE.

SO IF YOU'RE WONDERING WHAT TO GET ME, HERE'S A SOLID, HYDRATION-FUELED HINT: A WATER BOTTLE. YES, I'M ASKING FOR A FANCY BOTTLE TO HELP ME STOP LIVING OFF CAFFEINE AND QUESTIONABLE OFFICE PANTRY TEA (JUST KIDDING! I STILL NEED CAFFEINE TO SURVIVE).

IDEALLY, THE BOTTLE SHOULD:

- HOLD ACTUAL WATER (NOT HOPES AND DREAMS)
- LOOK COOL ENOUGH TO MAKE PEOPLE THINK I RUN MARATHONS (INSTEAD OF JUST RUNNING LATE)

I'LL EVEN TAKE ONE WITH TIME MARKERS ON THE SIDE — SO I CAN FEEL GUILTY IN HOURLY INTERVALS
WHEN I FORGET TO DRINK.

LET'S BE REAL: I DON'T NEED A BLENDER, YOGA MAT, OR PROTEIN POWDER THAT SMELLS LIKE CHALK.
I JUST NEED A COOL WATER BOTTLE TO CARRY AROUND AND DRAMATICALLY SIP FROM DURING
WORKING.

**SO, SECRET SANTA, HYDRATE ME! MAKE ME HEALTHIER AND LOOK
GORGEOUS TO ENTER 2026 NEW YEAR!!!!**

BEST WISHES

Ms. Yeoh
